

### Claiming VAT relief?

The 6E and 8E fitting shoes available from this catalogue are VAT exempt provided you meet the criteria laid out by the VAT Office. If you have a medical condition which results in very swollen feet and you require 6E or 8E fitting shoes, you may not need to pay VAT. If you are unsure to whether you are eligible to receive goods zero rated for VAT you should consult Notice 701/7 VAT reliefs for disabled people or contact the National Advice Service on 0845 302 0203 before signing this declaration.

If you are in any doubt, please contact your medical advisor as we are NOT able to comment or give an opinion. It is an offence to claim VAT relief fraudulently.

If you qualify please complete the VAT relief section. You may then pay the "VAT Exempt" prices shown. VAT relief can only be claimed when ordering 6E and 8E fitting footwear. VAT relief cannot be claimed when ordering any other product, even if you are eligible for VAT relief. VAT relief is currently 17.5%. If the VAT rate changes during the life of this catalogue the rate applicable at the time will apply for VAT relief.
